This license comparison chart is provided as a high level document to provide guidance when selecting user types. Because of this, no rights can be derived from this chart on individual screens or menu entries. At all times, the software will be leading and should be checked to get detailed information about the license implementation.

Rows in Red indicate CompuTec ProcessForce specific menus/functions.

Rows in Red with a * indicate CompuTec ProcessForce specific menus/functions which have been added to SAP Business One forms.
